TO WHO IT MAY CONCERN

This is to certify that Ms. Samina Arif Attari, student of Veermata Jijabai Technological Institute, has undergone four weeks of internship from June 01, 2020 to June 30, 2020 with our Company.

Nature of work included building a custom software for complete inventory control including purchase from suppliers, to integration with the sales module and updating the stocks after sales. Handling returns and GST calculation with the products sold. The GST automation software had to take into consideration the sales, purchases, returns and other expenses.

During the internship she worked on php mysql backend. She showed a keen interest in learning and implementing the technologies in the best possible way. Her knowledge on these technologies have sure increased under our guidance. We would want to mention a special appreciation for her hard work and a note of complement on the work done on the live project given to her. Her association with us was very fruitful and we wish her all the best in her future endeavors.
